I. NAME

This body shall be known as the Rowan Baptist Association.

II. OBJECT

The object of this Association shall be to devise and promote measures for increasing the harmony and spiritual power of the churches within our bounds, to recommend plans for advancing the work of our Lord throughout the earth, and to cooperate with our Baptist State Convention and our Southern Baptist Convention in spiritual advance in such areas as Sunday School, Church Training, Woman's Missionary Union, Men's Brotherhood and Church Music with the understanding that cooperation with the state and southern Conventions is purely voluntary.

III. MEMBERSHIP

This body shall be composed of the ordained Baptist Ministers who are pastors of cooperating churches, our Associational Missionary and messengers chosen and certified by the churches. Each church shall be entitled to two messengers for the first fifty members or any part thereof, and one messenger for each fifty above that number provided no church shall be entitled to more than ten messengers. And any mission sponsored by a member church shall be entitled to send two messengers from the mission membership. It shall be the duty of the churches to correspond annually with the Association by letter and messengers, and give in not only their statistical information but also facts concerning the general welfare and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters in the hands of the Clerk not less than two weeks before that meeting of the Association.

Missions sponsored by the Association and those sponsored by any cooperating church or churches of the Association shall be entitled to send representatives to participate in all annual meetings of the Association and to all meetings of the Executive-Promotion Committee, but such representatives shall not have official voting rights.

Annual reports shall be received from all missions on printed forms furnished by the Clerk.

The term of office shall begin at the conclusion of the annual meeting of the Association and continue until the close of the next session or until their successors are elected.

V. TRUSTEES

In addition of the above named officers, the Association shall elect three trustees each year who shall hold in trust all property and effects of the Association, take care of and keep the same in repair, accept gifts for the Association and perform all other duties which the Association may declare according to the laws of the State of North Carolina.

VI. MEETINGS

VII. POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the rights or usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. The churches constituting the Association shall each retain complete autonomy under Christ as supreme Head, Lawgiver, Governor and Lord over His churches, and unite only that they may more successfully promote the cause of Christ throughout the world. In any case any conflict of interpretation shall arise as between this section and any other section of this constitution the interpretation of this section shall have precedence over the other.

VIII. COOPERATING CHURCHES

Any group of baptized believers in Christ, organized into a church, earnestly seeking to cooperate with our Baptist work in the Rowan Association, The Baptist State Convention, and the Southern Baptist Convention, having been received into the fellowship of this association shall be considered a cooperating church.

IX. COMMITTEES

1. Executive-Promotion Committee. The Executive-Promotion Committee shall be composed of the duly elected officers of the Association, the Pastors of all the churches within the Association and one Representative from each cooperating church or mission sponsored by a cooperating church. The duties of this committee shall be to carry out the policies and will of the Association in the interim between its annual sessions. In an adequate emergency this committee may take such action as may be deemed necessary to conditions arising after the annual meeting of the Association. This committee shall meet quarterly, the time and place to be decided upon by the committee. The Moderator shall serve as chairman of this committee. X. AMENDMENTS

Any section of this constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the amendment is presented to the Association on the first day and voted on and passed on favorably the second day or that notice shall be given during the meeting in one year and voted upon favorably the following year.

By-Laws

1. The Moderator shall be in complete charge of all meetings of the Association or the Executive-Promotion Committee.
2. In the conduct of business Kerfoot's "Parliamentary Law" shall be followed.
3. These By-Laws may be amended at any time by majority vote of the Association.

COMMITTEES OF THE ASSOCIATION

1. Associational Missions Committee. This committee shall consist of seven members. Its duties shall be to assist our Associational Missionary in every way possible, to seek out places where Baptist work is needed, and to work with our Associational Missionary or a sponsoring church in establishing, developing and promoting such work. The chairman of this committee shall make a report at the annual meeting of our Association on the work of our Missionary for the preceding twelve-month period. The Chairman shall also make or have made a report at each quarterly meeting of the Executive-Promotion Committee concerning those missions sponsored by the Association and by churches of the Association and shall report at the annual meeting. Every mission sponsored by the Association shall be subject to the supervision and control of the Association through the Executive-Promotion Committee and the Associational Missions Committee and each such mission shall report on its financial and program activities quarterly to the Associational Missions committee. 2. Committee on Reception of New Churches. A committee of 3 members, elected by the Association, shall receive and study petitions from churches and missions desiring fellowship in this association and make recommendations to the association regarding the disposition of such petitions. These petitions should be presented to the committee at least two weeks prior to the annual meeting of the association.

3. Finance Committee. This committee shall keep itself informed concerning the financial needs of the Association. It shall see to it that all expenditures are kept within the budget, and supervise all financial matters. Along with its annual report to the Association it shall bring a proposed budget based upon the needs of the associational program, and the ability of the churches to support this program. This proposed budget shall be presented to the Executive-Promotion Committee at the July meeting for adoption and distributed to the churches immediately thereafter.

4. Audio-Visual Aids Committee. The Associational Missionary, together with four other members, shall constitute this committee, with the Missionary serving as chairman. This committee shall have charge of all visual aid equipment of the Association and keep same in good repair. 8. Committee on Public Morals and Civic Righteousness. The duties of this committee shall be to inform themselves as to the moral conditions and practices in our midst, to study these conditions, to use their influence to promote high ethical standards of life and conduct on the part of our people, and to give a report of their work at the annual meeting of the Association.

9. Radio and Television Committee. It shall be the duty of this Committee to give encouragement to the local radio and television stations in the use they are now making of their facilities in broadcasting morning devotions, the broadcast and telecast of the programs of the Radio-Television Commission of Southern Baptists, and other desirable programs of a religious nature. This committee shall further seek to enlist the cooperation of these stations when special efforts are underway on an Associational-wide basis to the end that our Baptist work might be duly publicized and brought to the attention of the people of our country. SUNDAY SCHOOL PROJECTION FOR 1976—1977

M. there will be a class for teachers at all Baptist colleges in North Carolina, to study the book of Romans in preparation for teaching it.

The proposed date for January Bible Study is January 3-7, 1977.

On February 3, there will be a Bible Teaching and Learning Workshop for all at the First Baptist Church in Salisbury. These workers for this workshop will come from Nashville and Raleigh.

Vacation Bible School Clinic will be at Stallings, April 26, from 9:00 A. M. until noon and again in the evening from 7:00—9:00 P. M.

In September the Association Sunday School Leadership night will be held to train new workers for the new Sunday School year. The date is the 13th. The place to be announced later.

The week of September 25-30 will be Sunday School Preparation Week.

Let each of us work and pray for a good Sunday School year that more men and women and boys and girls will come to know our Saviour through our Sunday School teaching.

Clarence G. Wise,
Associational Sunday School Director

BROTHERHOOD REPORT

We had a good year this past year.

We had a couple of churches added to the list of total Church Mission Program.

Our Associational RA Director is planning a basketball league this year. So, Brothers of the Brotherhood, let's get behind this mission for our young boys and encourage the men of our churches to support this program.

Our goal is to have every church in the Association involved in the Total Church Mission Program. Let's involve the men and boys in presenting Christ and His Gospel to a modern and secular society.

E. L. Brentham
Brotherhood Director

WMU REPORT

We have two main emphases for the year as our part in LET THE CHURCH STAND UP. The first is Teach Missions to know to grow. This is a three year program with three goals each year. Two of the three goals will remain constant for the entire period. The other goal will be different each year. The graded series for Home and Foreign Missions are a part of this emphasis.

Minding the future is our second emphasis. This is an effort to reach out in a special way to encourage and build up the work with preschoolers, children and youth who are enrolled or should be enrolled in Mission Friends, G. A.'s, and Acteens.

Activities to carry out these emphases are planned for the year and have been placed on the Associational Calendar. Please pay close attention to these times and places.

We especially want to remind you of the Prayer Retreat scheduled at Enon on November 1, 1976 at 4:30. Bring your Bibles and a covered dish. Supper is at 6:00 and we close at 8:00.

Your WMU Council needs a list of your officers with addresses and telephone numbers. This will greatly benefit us in working with you.

Respectfully submitted,
Charlotte Hartsell,
Associational WMU Director

MUSIC REPORT

Because of the small amount of participation from our associational churches last year, the associational choir festival was called off. This will also be true again this year. There will be NO associational choir festival. There are adequate regional festivals and choir clinics in neighboring counties for any of our churches who wish to participate. These dates are listed on the associational calendar.

The association has set up a music library consisting of choral anthems, hymn arrangements and gospel songs. Any of this music can be checked out by any church for use. To do so, contact Tom McRae at Stallings Memorial Baptist Church.

HISTORICAL REPORT

The forty-ninth session of the Rowan Baptist Association met on Tuesday evening, October 26, with pastor Robinett and his people at Enon in an inspiring and challenging session with Rev. Ernest Upchurch as the speaker. On Wednesday morning Stallings Memorial Church and their pastor, Rev. Jim Harris, were hosts. Both the meetings were well attended with informative and enlightening reports. The key speaker for the morning session was the Rev. Dan Griffin of First Baptist Church, Winston-Salem. Rev. Griffin is well known for his television services on Sunday morning. His message was vital and moving.

Many of our churches are making improvements in their buildings, and adding new and needed instruments or equipment. Franklin church has purchased a lovely new organ, and Enon has purchased a beautiful new grand piano to add to the warm and charming interior.

All the work is progressing. The women are busy in circles and retreats and many useful and constructive activities. Some of our churches have classes for the deaf. First Church of Salisbury has a wonderful work and activities for a large class of deaf members.

We have had several changes in pastors among our 36 churches. Although several new ones are on the field, not all pulpits are filled. One of the major joys of our association is having our Missionary's home paid for. This has been a long hard pull and we are grateful to have it finished, and the joy of a responsible necessity fulfilled. First church pastor, Victor G. Cole, who has been researching and studying for the past four years, will receive the Doctor of Ministries degree on December 17th of this year. The pastor has worked long and hard on this project and his congregation will be rewarded and happy. Salisbury, First has set a contemporary precedent by adding ladies to the Board of Deacons. The ladies will make a warm and gracious addition to the other helpful ministries of the church. We are also grateful to report the raise of our giving to missions to 13 percent and are proud of our \$252,234.00 from our entire association.

All of our 36 churches are making special efforts in missions and ministries in this our Bicentennial year. We trust all of us are remembering to seek the souls of men, minister to the aged and needy and help to create a warm rich fellowship in all our churches.

Georgia Blalock,

CHRISTIAN LITERATURE REPORT

The Old Testament prophet Hosea declared, "My people are destroyed for lack of

knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communication?

Each year more churches understand the importance of providing the BIBLICAL RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a BIBLICAL RECORDER club.

Each year improvements and additions are made in the literature available from the Material Services Department in Nashville, TN. Among the new items this past year are Sunday School Resource Kits for teaching deaf children (which the Salisbury First Church has found helpful in their deaf ministry), the Directory of SBC Churches (Rev. John Carter has one), the large print OPEN WINDOWS and the improved new look of THE STUDENT magazine.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving." Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

Last year, 1126 churches increased their gifts through the Cooperative Program by 15% or more, and 4 associations in our state had 100 percent of their churches giving through the Cooperative Program.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association and each church conduct a stewardship emphasis this year.
2. That a stewardship conference be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.
3. Every church in the association giving something through the Cooperative Program EVERY month, as well as Associational support.
4. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
5. Have a special prayer for some Cooperative Program ministry during every service in each church during the month of October.

TO THE MESSENGERS TO THE ROWAN BAPTIST ASSOCIATION ANNUAL MEETING:

During the past two years it has become increasingly obvious that we need more advance planning for the Rowan Baptist Association. We need to determine some guidelines on the direction in which we should go to best meet the needs of the churches at the associational level.

Maybe we need to re-define the role of the association—the mission of the association. We know, very well, the mission of the individual churches—to assemble themselves for praise and worship of God; to increase the spiritual growth of its individual members through Bible study and education; and to fulfil the great commission by reaching those about us and spreading the gospel of Christ throughout the world through our Cooperative efforts.

The mission of the association could be very closely tied to that of the churches.

The Southern Baptist Convention furnishes leadership, materials and publications for all levels of the convention structure. The North Carolina State Baptist Convention has excellent organization and leadership available for every department of the churches. The association serves a vital role in assisting the churches at the grassroots level.

In the next couple of years some very important decisions will need to be made to insure the effectiveness of the associational role.

The executive-promotion committee, seeing this need, has voted to establish an associational planning committee. On July 20, 1976, they authorized the Moderator to receive counsel of the associational advisory committee and the associational missionary in appointing such a committee to study the future needs and work of the Rowan Baptist Association.

Following this procedure, we wish to appoint the following people to serve on this most important committee:

T. E. Robinett
Conrad Bost
Warren Rice
Harold Hughes

James McCoy
Charles Summers
Charles Bolden

We suggest that this committee elect its own chairman and such other officers as necessary, and report periodically, as necessary, to the quarterly meeting of the executive-promotion committee.

Respectfully submitted,
Charles R. Bolden
Moderator

STATE MISSIONS

1976 has been a year of cooperation. The celebration of the American Bicentennial emphasized the cooperative spirit of this nation. What Americans share in common outweighs their diversity. We are a United States because we are cooperative states.

Cooperation and diversity are cherished principles among Baptists. One hundred forty years before the nation's beginning a Baptist leader, Roger Williams, opposed coercion in matters of religion. The broad principles of religious liberty, later guaranteed to all Americans, led to the founding of Rhode Island. Three years later, in 1639, the First Baptist Church in America was established there.

Cooperation and diversity are also basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together "... to promote missions, evangelism, education, social services." (Constitution, Article II). The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign missions. Mission programs in distant areas de-

pend upon the strength of the "sending churches" back home. Overseas and national missions look to the churches for prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past several years State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support. The Church Program departments—Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood—are wholly committed to these tasks.

A second major program of State Missions are the "direct mission" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Interracial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Missions, and Home Missions. In fact, the vast majority of Home Mission projects in North Carolina are financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is \$400,000. The offering distribution, approved by the 1975 Baptist State Convention, is as follows:

- \$175,000 Basic State Mission Budget
- 43,000 Fruitland Classroom Building
- 72,000 Caraway Conference Center
- 10,000 Special Mission Projects
- 100,000 Baptist Assembly (Caswell)

ANNUITY BOARD REPORT

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related vocations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to \$401,135,261. While this appears to be a great deal of money, this must be divided among the 40,000 future annuitants and serve their lifetime, post-retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of \$23,149,064.

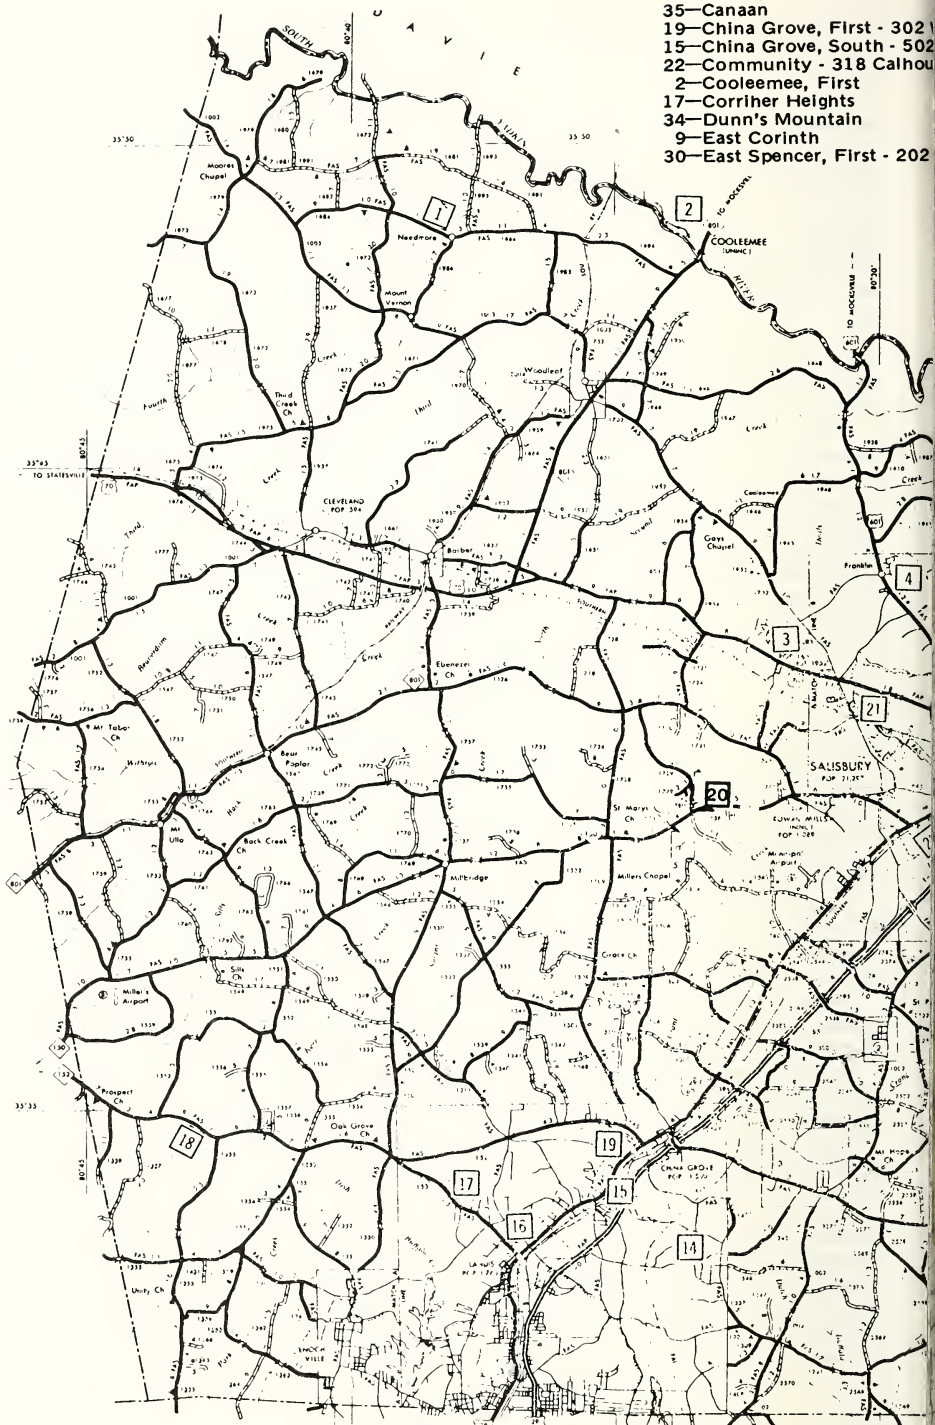

Benefits paid to retirees, widows, and the disabled in 1975 amounted to \$15,734,003. During the Annuity Board's 58 years of existence, it has paid more than \$141 million in retirement and protection benefits.

A 13th Check issued in December, 1975 provided 8,221 annuitants with an extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to \$733,585. It is called the 13th Check because it is over and above the 12 regular monthly payments.

The Annuity Board helps churches and SBC agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, TX 75201.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March of 1951, to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund-Raising Effort to raise \$1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September, 1975, Brother Ralph Cannon, beloved pastor, and Trustee of the Homes, was called by the Trustees to serve as Director of Development and Denominational Relations and has been leading the fund raising program for the Western North Carolina Baptist Home in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging, and that there is every indication that we will reach the goal. We are grateful not only to those in Western North Carolina, but throughout the State, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

When completed, the Western North Carolina Home, in Asheville, will accomodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes, and a Nursing Care Unit—Resthaven, the Hayes Homes, the Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton, N. C., the Yanceyville Home, in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptists make this Christian care and concern possible through two very vital sources—The Cooperative Program, and the Special Offering for the Homes, received on the third Sunday of February each year. Through these sources more than 35% of the Homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible! Gifts this year, through these sources, are greater than ever before, and if we are to meet the overwhelming needs of older people in our midst, we must double and triple our efforts, both in numbers ministered to, and in support of them.

Close at hand is another venture in the development of the Homes which we're excited—the building of apartments on the site of the Hayes Homes property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Those interested in this phase of the ministry of Baptist Homes may contact Bill Poole, the Executive Director, of the Homes for information.

Great things are in store for us in our Homes for the Aging as we look to the future, and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

EVANGELISM REPORT

All churches have already received the booklet: GROWTH EVANGELISM: AN EVANGELISM PLANNING CALENDAR FOR PASTORS OF CHURCHES—1976-77. It contains suggestions for various evangelism emphases for the local church for the coming new year including C. A. R. E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th Statewide Evangelism Conference at the Civic Center Auditorium, Asheville—February 2-4, 1976. The theme was "Freedom in Christ". The response from many persons indicated that this conference was one of the best in several years.

Lay persons and pastors continue to respond to the emphasis on lay witness training through Lay Evangelism Schools. During the past 4 1/2 years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations. During the last evenings of the 62 weeks of schools there have been 896 professions of faith made by youth and adults in their homes.

About 525 youth and adults attended the Youth Ministry Week—June 14-18—at the North Carolina Baptist Assembly with the emphasis on youth evangelism, vocational guidance, and recreation. Fifty-three different types of decisions for Christ were made by youth.

12,000 youth, pastors, and adult leaders are expected to attend the 6th State-wide Youth Evangelism Night—August 13—at the Greensboro Coliseum. Barry Wood of Lubbock, Texas is the guest preacher, and Larry McFadden of Gainesville, Florida is the guest soloist. Follow-up work by pastors and adults is always done with youth who make decisions from communities across our state.

Two summer youth evangelism teams are directing youth revivals and youth witness training in eighteen churches across the state for a one week period in each church. Already there has been an excellent response and youth are making decisions for Christ.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W. O. W.—Win Our World—is included in this strategy and involves specific witness training for youth.

Good reports have been received on evangelism clinics in associations, revival meetings and city-wide crusades during the past months.

The 31st Statewide Evangelism Conference will be February 7-9, 1977 at the War Memorial Auditorium in Greensboro.

BAPTIST HOSPITAL REPORT

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were \$405,946.52, compared to a total of \$390,000 for the preceding fiscal year.

BAPTIST CHILDREN'S HOMES

As our nation enters its third century, we are reminded that its future is in its children. We have no greater national need than strength of character and wholeness of persons in our citizens. Yet, too many children, through family tragedy or breakdown or weakness, are deprived of the growing experiences so essential to wholeness of life.

The purpose of the Baptist Children's Homes of North Carolina is to help make up this loss through a Christian ministry of quality child care. Emergency Care is offered the child who needs immediate short-term care to provide time for a more permanent plan. Group Care is offered the child who needs the multiple relationships which a group of his peers and a staff of Christian professionals can provide.

Foster Care is offered the preschooler and the older child who needs the closer relationships of a family setting. Maternity Care is offered the unwed mother and her child. Preschool care and education are offered a select group of younger children. Consultation in child development and family life education is offered to churches concerned for families and children in their communities. Varied planning and counselling services are offered to families in stress.

In each of these services, the focus is on the whole family; the motivation is Christian love; the aim is wholeness and health for the persons served.

To make these varied services available to families and children, a statewide network of facilities and programs has emerged. Indian Beach, Kinston, Pembroke, Fayetteville, Raleigh, Burlington, Wallburg, Thomasville, Charlotte, Forest City, Asheville, Waynesville—each site is a base of operations from which families in need can secure assistance. Furthermore, the staff is prepared to call on the additional resources of religious, educational, medical, psychological, recreational, and social service personnel in the communities to help persons grow to their full potential.

No greater investment can be made in the future of God's Kingdom or in the future of American than to invest in children. Your support of missions through the Cooperative Program is the lifeline of the Baptist Children's Homes. Your special gift at Thanksgiving further guarantees the continuance of Christian child care. The staff and children of the Baptist Children's Homes pledge ourselves to make the most of the opportunity your investment provides.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

In a tract that came across the Foundation desk during the past year was a note about the will of the famous financier J. Pierpoint Morgan. It is reported to have contained 10,000 words and incorporated 37 different articles of instruction, all of which were necessary because a vast fortune has to be properly dispersed. What Morgan valued most, however, was indicated by the opening statement of that legal document. It read, "I commit my soul to the hands of

my Savior, full of confidence that, having redeemed it and washed it with His most precious blood, He will present it faultless before the throne of my Heavenly Father. I entreat my children to defend, at all hazard . . . the blessed doctrine of complete atonement for sin through the blood of Jesus Christ once offered, and through that alone."

What a testimony! This wealthy man recognized that of everything he owned, his most valued "possession" was the priceless gift of salvation. Paul, in II Corinthians 12:4, says "I seek not YOURS but you." As we think of Christian stewardship, we are accustomed to thinking first about giving or raising money. Christian stewardship is not primarily a MEANS for raising money, but a plan for making the right kind of men.

During the 1975-76 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who had received financial assistance years ago from our Baptist Hospital, a \$29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

The children of one family, upon the settlement of the estate of their father, placed all the residence of the estate with the Foundation to establish a trust in memory of their parents for Foreign Mission support. Their mother and dad had long been interested in this area of our Christian ministry.

A widow tithed the estate of her recently deceased husband to provide an educational scholarship for a student in Christian education in one of our Baptist Colleges. Another husband and wife began a trust "To the Glory of God and in Honor of our Pastor." This was but the beginning of a BOOK OF HONOR FOR NORTH CAROLINA PASTORS AND MISSIONARIES with income to go toward all mission efforts of our denomination through the Cooperative Program. The value of the principal has increased sixty times already since the first gift and several pastors and missionaries have been remembered in this expression of love.

A widow has established a living trust turning over all of her property and financial assets for the remainder of her life, reserving the right to income, and upon her death it will then be divided among several institutions and mission causes, one of which will be mission ministries in the local association.

New additions during the 1975-1976 year to the North Carolina Baptist Foundation assets held for our institutions and missions totaled \$210,147.17. This amount combined with the market value of real estate (including the Yanceyville unit of the N. C. Baptist Homes, Inc.), annuity trusts, and the Foundation Common Trust Fund brings the total market value of assets, as of June 30, 1976 to \$2,946,044.49

The income from Foundation trust funds paid to beneficiaries during 1975-1976 was \$157,069.28. In previous years the Foundation had paid to beneficiaries \$1,018,414.76. The total paid through June 30, 1976 now has reached \$1,175,484.04.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise \$480,270.73 of the total value of the Foundation assets.

Dear Co-Laborers:

The Committee on the ASSOCIATIONAL CALENDAR OF ACTIVITIES is made up of those who compose the Associational Advisory Committee. We plan a variety of Activities prayerfully aiming at the strengthening of the work within the local church. The Association came into existence to undergird, strengthen, the local churches in their work; to provide a channel for cooperative evangelistic missionary outreach; to enter into a mutual togetherness in the search for doctrinal purity; to foster a richer fellowship among ourselves and a deepening commitment to our Lord Jesus Christ.

It is hoped that the above planned activities will enrich all our lives and contribute in every church during the coming year to the greatest year your church has ever had in personal evangelism in the local community and in Outreach through World Missions.

To this end may God bless you real good is our prayer. Please pray for your Associational Officers and feel free to call upon us when you sense a need for some assistance from a friend in the Lord. Thank you for the opportunity you have given us to serve our Christ by assisting you in your church.

Proceedings

of the

Fiftieth Annual Session

of the

Rowan Baptist Association

THEME: "Let The Church Reach Out!"

Scripture: Acts 1:8

TUESDAY NIGHT SESSION

1. The Fiftieth Annual Session of the Rowan Baptist Association opened at the Faith Baptist Church, Faith, N. C., at 7 p.m. with Rev. T. E. Robinette, Moderator, presiding. The choral call to worship was given by the Faith Baptist Church choir. The invocation was given by Rev. T. E. Robinette. Mr. Charles Bolden led the group in singing "The Church's One Foundation", with Mrs. Earle Blalock at the piano.
2. Rev. Ed Daniel, Pastor of the First Baptist Church, China Grove, conducted the devotional period, using 1 Corinthians 2:1-5, and offered prayer. Special music was rendered by the Faith Church Choir.
3. Rev. Warren Rice, Pastor of the North Main Street Baptist Church, Salisbury, brought a challenging message emphasizing the necessity of declaration, determination, and demonstration in our mission outreach. Mr. Charles Bolden led the group in singing "He Keeps Me Singing".
4. James L. McCoy, Clerk, was recognized and moved that the messengers now registered, in addition to those who will register, constitute the enrollment of messengers to the Fiftieth Annual Session of the Rowan Baptist Association, and that the program as printed, with any changes made necessary, constitute the order of business of the Fiftieth Annual Session of the Rowan Baptist Association. Motion was seconded and carried. The Moderator recognized Rev. R. N. Huneycutt who preached the annual sermon at the First Annual Session of the Rowan Baptist Association, and Mrs. Georgia Blalock and Mrs. Pearl Beck who were in attendance at the First Annual Session. Mrs. Blalock was also recognized for perfect attendance at the annual sessions. James L. McCoy, Clerk, was recognized for perfect attendance for twenty-five years. Ms. Ruth Kizer, Gardner-Webb College, Boiling Springs, N. C., was recognized as a visitor. The Moderator recognized the following new pastors in the Rowan Association: Rev. Fenton Moorehead, First Church, Salisbury, Rev. Ray Craig, South China Grove Church, Rev. Zeb Baker, Interim Pastor, First Church, East Spencer. The Moderator read the resignation of Rev. John Carter as Associational Missionary of the Rowan Baptist Association to become effective March 31, 1978. (This resignation appears separately in the annual minutes.)
5. Mr. Charles Bolden, Chairman of the Long Range Planning Committee, was recognized and brought a report of the activities of this committee. The following recommendations concerning associational property were brought:
 - (1) That we sell the Associational pastorium and acreage, putting the money in savings (possibly certificates) and using the interest on part of the money as a basis for paying a housing allowance to the Associational Missionary. (A recent appraisal on this property was \$65,000.00 to \$68,000.00.)

(2) That we sell the camp property. The cost of necessary developments to make it usable in first class condition being too high for the interest that is manifested in it. We have a firm offer of \$10,000.00 on this property, and we recommend that this money be placed on deposit as above stated.

Motion for acceptance and second were made. Mr. Bolden made an extensive explanation of the study surrounding the recommendations and the two recommendations were re-read. The motion was overwhelmingly approved.

6. Projection of Program Organizational Activities for 1977-1978 were made by the following:

Sunday School Mr. Clarence G. Wise
Church Training Mr. Edward L. Bitner
Woman's Missionary Union Mrs. James Hartsell
Brotherhood Mr. Charles Collins

There were 124 Messengers and 40 Visitors registered at this time for a total of 164.

7. Mr. Charles Summers, Associational Treasurer, was recognized and gave the Treasurer's Report for the Fiscal Year ended September 30, 1977. Motion carried for adoption of the report. Mr. Charles Bolden led the group in singing "Faith Of Our Fathers". Ms. Ruth Kizer was recognized and brought greetings from Gardner-Webb College together with information regarding the various program activities of the college.

8. Dr. Alan Sasser, Vice Moderator, was recognized and presented Dr. Albert L. Meiburg, Dean of Faculty, Southeastern Seminary, Wake Forest, N. C., who spoke on "Let The Church Reach Out — At Home". The speaker stated there were three gaps to span:

- (1) Separation between mind and tongue
(2) Separation between the heart and hand
(3) Separation between persons and God

The Moderator gave a summary of the Wednesday morning program session. Mr. Hayden Carter, son of the Rowan Associational Missionary, was recognized as the individual who traveled the furthest, having come from Annapolis, Maryland. The Tuesday Night Session was adjourned with prayer by Rev. J. C. Huneycutt, host pastor, to reconvene Wednesday morning at the Oakdale Baptist Church, 115 Charles Street, Spencer.

WEDNESDAY MORNING OAKDALE BAPTIST CHURCH, SPENCER — 9 a.m.

9. The Wednesday Morning Session opened with the group singing "I Am Thine, O Lord", led by Mr. Charles Bolden with Mrs. Earle Blalock at the piano. Rev. The Moderator recognized Mr. Lewis Karriker, Minister of Education, Stallings Memorial Church, and Mr. Calvin Knight of the Baptist Hospital, Winston-Salem, N. C.

10. James L. McCoy, Clerk, was recognized and gave the report of the Executive-Promotion Committee and Digest of Church Letters. Motion carried for adoption of report. Mr. McCoy moved that reports not given orally be approved for printing in the annual minutes, and motion carried for approval.

15. Rev. L. C. Pinnix presented resolutions from the Committee on Resolutions, and motion for approval carried.
16. Mr. Charles Bolden, Chairman of the Long Range Planning Committee, was recognized and brought a recommendation that the Rowan Baptist Association lovingly give to the Carters a total of \$15,000 over a period of three years (\$5,000 each year). Motion and second made for adoption. Rev. J. A. Richardson, Jr., made an amendment to the motion that the wording read "Rev. and/or Mrs. John Carter". By common consent of the Long Range Planning Committee this wording was accepted as a change. Rev. Ed Daniel stated that the member churches of the Rowan Association should be given an opportunity to supplement this gift on their own if they so desire. The Moderator clarified the original recommendation and asked that all Rowan Baptists irrespective of whether or not they were elected messengers share in the vote. A standing vote unanimously approved the recommendation. Rev. James Harris questioned whether a search committee had been considered to look for a new Missionary. The Moderator stated this would be taken care of by the Missions Committee since this falls in the realm of their function.
17. Rev. A. C. Starling conducted the "In Memoriam" period by observing a pause of silent meditation followed by prayer by Rev. Starling. Mr. Charles Bolden led the group in singing.
18. Mr. Calvin Knight was recognized and brought information on the Baptist Hospital, Winston-Salem. The Moderator stated he had talked with Rev. John Carter, and that Rev. Carter had requested that a January call meeting of the Association be made.
19. Rev. J. C. Huneycutt was recognized and spoke regarding housing allowance in lieu of a parsonage for pastors. He also went into some detail regarding the total protection program of Southern Baptists (medical, life and annuity).
20. The Moderator announced his appointment of the Program Committee and the Committee on Committees. Mr. Charles Bolden led the group in singing "Amazing Grace". Special music was presented by the Junior Choir of the Oakdale church.
21. The Moderator presented Rev. Charles Bullock, Pastor of the First Baptist Church, Mocksville, N. C., who brought the final message of the session, using 1 Corinthians 12:27 as a basis. At the conclusion of his message, the speaker gave an invitation to the group to make a renewed commitment to Jesus Christ. As the group sang "Just As I Am", the response was gratifying. This indeed was a highlight of the annual session.

Rev. Ed Yarborough, host pastor, was recognized and gave instructions regarding the noon meal. The fiftieth Annual Session of the Rowan Baptist Association was brought to a close with prayer by Rev. Ed Yarborough. There were 145 Messengers and 63 Visitors registered at this time for a total of 208.

Minutes of the Forty-Ninth Annual Meeting of Rowan W.M.U.

The forty-ninth session of Rowan Baptist Woman's Missionary Union was held at the North Main Church on Tuesday, April 5, 1977 at 7:00 p.m. After a period of quiet music Mrs. Gerald Osborne opened the meeting with inspirational thoughts on "Christ In Our Lives". The Youth Choir from Needmore Baptist Church sang "Reach Out to Jesus". Mrs. L. C. Pinnix, Baptist Women Director, challenged the group with an emphasis on "Teach Missions" and "Minding the Future"; Mrs. James Kirby, Acteen Director, shared with the women some of the activities that the Acteens in the Association had participated in and urged the ladies to encourage Acteen participation from their churches in future plans. Deena Trexler, Girls In Action Director, emphasized that phase of our work. Mrs. James Hartsell, Associational Director, spoke a few words of welcome and expressed thanks to the North Main Church for having our annual meeting. She recognized Mrs. W. H. Snider who presented the following slate of officers for nomination for next year:

There was a motion and second to elect these officers and Rev. John Carter led in a prayer of dedication. The Needmore Youth Choir sang "Lead Me to Calvary" after which Rev. Russell Hilliard, a missionary to Spain for twenty years, showed a film "Spain, Its Land and Its People" sharing with us the part that we as Southern Baptists have in sharing the gospel with the whole world. Rev. Warren Rice, Pastor of the North Main Church, led the closing prayer.

SUNDAY SCHOOL PROJECTION FOR 1977-1978

The proposed date for the January Bible Study is January 2-6, studying in the book of Exodus.

The Vacation Bible School Clinic will be at Stallings, March 28, with morning and evening sessions.

In September we are planning a Sunday School Leadership Workshop to be held at Enon.

Then Sunday School Preparation Week will be observed September 24-October 1.

In keeping with the Reaching Out Theme we hope that more churches will participate in the ACTION program.

Let's each and every one of us work and pray that we will have a good year of Bible study.

Respectfully submitted,
Clarence G. Wise
Associational Sunday School Director

TRAINING UNION REPORT

In keeping with the theme "Experiencing Discipleship at Church: The Sunday Night Place," we emphasize the important role that Training Union plays in developing well-trained disciples.

To accomplish this our promotion plan is designed with special emphasis on experiencing discipleship; and through this, make each church member aware of the difference it can make in the quality of your church's life and in the discipleship of every well-trained Christian.

We have two main emphases for the year planned to promote associational wide participation and to encourage active church-wide involvement in all training activities on the associational calendar.

First, is our "M" Night Program on November 28 at 7 p.m. at the First Baptist Church in Spencer. We have an interesting program planned which we feel will be very helpful to everyone.

Second, is the Youth Night Program on March 18 at 7 p.m. at Trinity Baptist Fellowship Hall in Spencer.

Let each of us work and pray for a successful year in church training.

Respectfully submitted
Edward L. Bitner
Associational Church Training Director

BROTHERHOOD REPORT

As we go into the tenth year in the Associational Brotherhood work, we have always set goals and tried to reach them each year; believing the Brotherhood is a good Baptist program, and any church that has a Brotherhood is a better church from having an organized mission program for men and boys.

In the past twelve years the number of churches with this mission program has dropped from twenty churches to sixteen churches. The listed members have increased from 606 to 631. Some of our churches have thought it best to call the men and boys mission groups by other names, and our prayers and best wishes are with them.

We urge the churches that do not have an organization for men and boys to consider organizing one. It will take a lot of prayer and hard work. The officers of the association pledge their support and help every time they are asked. We feel you will find a working Brotherhood in any Baptist church, this will make a better knowledgeable membership, and bring our men and boys a better spiritual understanding of each other and bring a better Christian relationship between boy and parents.

We have presented all our regular scheduled meetings the past year and we have had very good cooperation from our women.

Respectfully submitted,
Charles Collins, Sr.

WMU REPORT

Let the church reach out in Bold Missions! WMU emphasis in 1977-78 is Teach Missions: To be, To do.

Teach is to stimulate and guide persons in a personal growth in knowledge, understanding, appreciation, attitude and skills. Missions is a concept to express part of the church's work in fulfilling its total task.

This is the second year of a three-year emphasis on Teach Missions. There are three objectives:

To improve the image and quality of teaching missions.

To encourage participation in mission study.

To help women, girls, and preschoolers to grow and develop spiritually.

Areas of spiritual development will include prayer, meditation, stewardship, direct evangelism, mission action, and career and non-career mission service. To carry out these objectives we have some exciting opportunities planned for you. It will be impossible to mention all, but they are all listed in the Associational minutes.

On November 1, 1977, a prayer retreat will be held at Oakdale. It begins at 4:30. At 6:00 o'clock we break for the covered dish meal you have brought. The night session begins at 7:00 p.m.

A unique opportunity for all people interested in missions is the commissioning service for foreign missionaries at Charlotte on November 15 during the State Convention. Be sure to get your Acteens and G.A.'s there.

Lists of officers and reports are still needed for some churches.

Respectfully submitted,
Charlotte Hartsell

RESOLUTIONS COMMITTEE REPORT

We the Resolutions Committee, in behalf of the Rowan Baptist Association at its 50th annual session wish to make the following acknowledgment and appreciation: To both the Faith and Oakdale Baptist Churches for serving as host churches for our meetings; To those bringing reports, special music and extending to our messengers warm welcome and fellowship; To our Associational officers, speakers and to our Associational Missionary and Mrs. Carter for their faithfulness and unselfish service rendered during the year — we extend our grateful appreciation. God bless you.

Sincerely,
 L. C. Pinnix, Chrm.

TO THE MESSENGERS OF THE 1977 ANNUAL MEETING — ROWAN BAPTIST ASSOCIATION:

At the 1976 annual meeting of the Rowan Baptist Association a long-range Planning Committee was appointed to study the future needs of the Association, covering property, personnel and program. Members appointed to this committee were The Rev. T. E. Robinett, The Rev. Warren Rice, The Rev. Harold Hughes, Charles Summers, Conrad Bost, James McCoy and Charles Bolden. The committee elected Charles Bolden as chairman and T. E. Robinett as secretary.

For the purpose of this report to the 1977 annual meeting we wish to make our recommendations concerning **Associational Property**. (Other studies will continue as long as necessary.)

The committee has met a number of times and through lengthy discussions we feel that a decision on the property needs to be made, leading into the other phases of our responsibilities.

The Association owns property on Faith Road, on which the Associational Missionary's Home is located (about 15 acres). We also own property in Morgan Township which has been earmarked for 20 years to be used as a camp site (about 40 acres).

In keeping with the trend of thinking in the past few years, we find that more and more Pastors and Church Staff Members prefer to receive a housing allowance rather than living in a Church pastorium or a Church owned home. We are also aware of the responsibility of the Association for the upkeep and maintenance of this property.

Due to the remote location of the Morgan Township property and at the same time the accessibility of Dan Nicholas Park in Rowan County and of Camp Caraway near Asheboro, both of which have all necessary facilities, we feel it is not feasible to spend the amount of money necessary to make our camp property usable as an associational camp.

We therefore wish to make the following recommendations to this annual meeting of the Rowan Baptist Association:

1. That we sell the Associational pastorium and acreage, putting the money in savings (possibly certificates) and using the interest on part of the money as a basis for paying a housing allowance to the Associational Missionary. (A recent appraisal on this property was \$65-\$68,000.)

2. That we sell the camp property. The cost of necessary developments to make it usable in first class condition being too high for the interest that is manifested in it. We have a firm offer of \$10,000 on this property, and we recommend that this money be placed on deposit as above stated.

Respectfully submitted,
Charles R. Bolden, Chairman
T. E. Robinett, Secretary

TO THE MESSENGERS OF THE 1977 ANNUAL MEETING — ROWAN BAPTIST ASSOCIATION:

Being aware of the impending retirement of the Rev. John Carter as Missionary of the Rowan Baptist Association after 21 years of faithful service in the Association, a committee from the Pastors' Conference met with our planning committee to discuss something worthy we may do for Mr. and Mrs. Carter.

Also being aware of the fact that the Carters have raised a fine family and have educated them mostly during the time they have served with us, we realize they cannot have a great deal of savings on hand to take care of themselves in retirement. We also know that their retirement income will be in a low bracket.

The Carters are preparing a retirement home by restoring his old family home in southeastern Rowan County. In order to make this house livable it

will be necessary, we understand, to equip it with a mortgage right from the beginning.

In view of these facts we feel strongly that the most worthy thing we can do is to extend to them heartfelt appreciation and our deepest love — along with a gift of cash.

We therefore wish to recommend to the annual meeting of the Rowan Baptist Association that we lovingly give to the Carters a total of \$15,000 over a period of three years (\$5,000 each year). In order not to involve future money of the Association we recommend that this money be taken from the sale of Associational property and be set aside for this purpose, with the Finance Committee being responsible for the disbursement of these funds to the best interest of the Carters.

Respectfully submitted,
Charles R. Bolden, Chairman
T. E. Robinett, Secretary

CHRISTIAN LITERATURE REPORT

The Materials Services Department in Nashville has announced that effective in April 1978 there will be an average increase of 10% in the cost of literature. New items in 1977 are the magazine for senior adults — *Mature Living*, which has had very good reception, and teaching tapes for children. A magazine for parents will be available in 1978 called *Living with Children*.

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust", and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

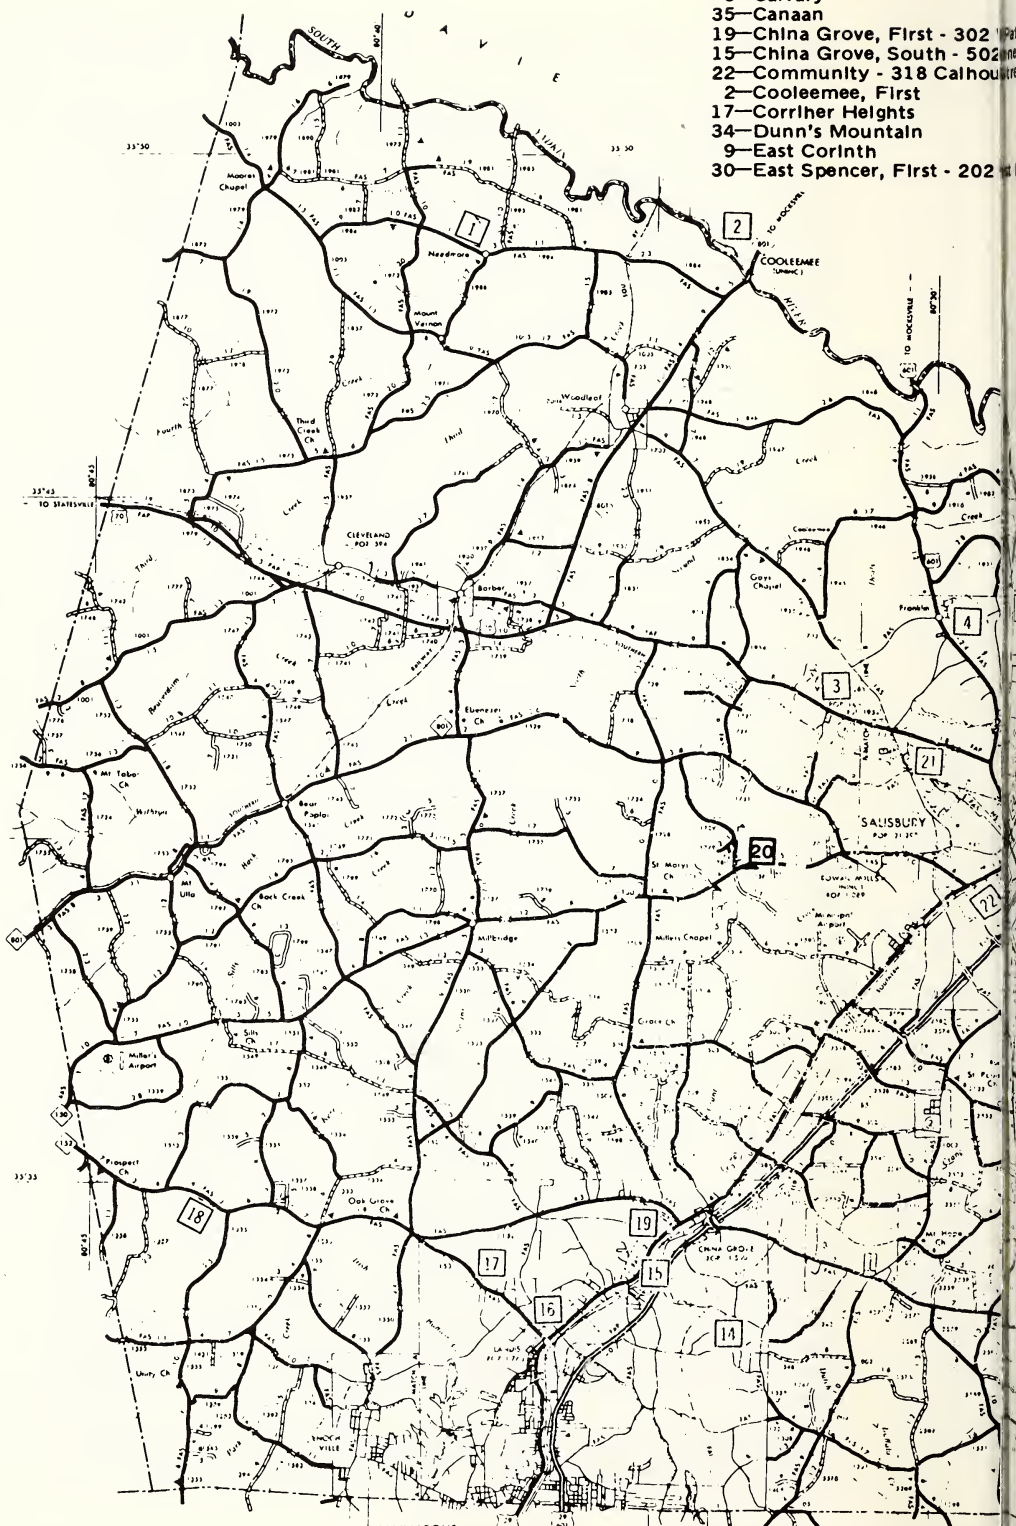

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the *BIBLICAL RECORDER* is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N. C. receive the *BIBLICAL RECORDER* weekly. Already more than 1,100 churches in our state are providing through their budgets for the *RECORDER* to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. *RECORDER* circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the *RECORDER* to resident families at the present time, arrangements should be made immediately to do so by in-

corporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U. S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

BAPTIST HOSPITAL REPORT

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this threefold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Last year, 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics and there were 22,365 admissions to the hospital. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

There is also a preaching ministry. Preaching in the formal sense is done in Davis Chapel at least four times a week. In the less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. Hospital trustees are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year \$294,324 was received through the Cooperative Program and \$405,947 through the Mother's Day Offering. Mother's Day gifts for the fiscal year ending June 30, 1977 was \$411,225.56. Rowan Association gave \$4,587.62 with 27 of our 36 churches contributing during the last fiscal year. This is an increase of \$2,361.82 over the previous year.

Baptist Hospital deserves our prayers, praise, and financial support for its ministries. Many people from our own local churches have been aided by Baptist Hospital. Some of these include: Rev. John Carter, Rev. Marvin Dameron, the late Mrs. J. A. (Blanche) Richardson, and the infant son of Rev. and Mrs. Michael J. Koontz (Marc Koontz).

ASSOCIATIONAL STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Will you lead every member of the church where you serve to give a tithe or more of his income into the church treasury and lead the church to give

the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions". "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

In 1 Corinthians 3:9, the apostle Paul says, "... we are labourers together for God." We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave \$121,047.05 through the Cooperative Program.

WE RECOMMEND THESE GOALS:

1. Every church in the association **BOLDLY ADVANCING THEIR GIVING** through the Cooperative Program for world mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than a thousand people from our Western North Carolina Baptist Churches, as well as many others throughout the state, were present. It was a thrilling moment indeed when Trustees, Staff, and Residents of the Homes, Pastors, and other Church Leaders latched on to ropes, attached to a huge bulldozer, pulled together and helped to move the first dirt at the site, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accommodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. Sixty-six more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of

February Offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are overwhelming. Plans are in the making for an accelerated ministry in our North Carolina Baptist Homes that will touch an ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina Baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

Respectfully submitted,
William A. Poole
Executive Director

HISTORICAL REPORT

The fiftieth anniversary session, 1927-1977, of the Rowan Baptist Association met on Tuesday evening at Faith Baptist Church, October 25th and Wednesday morning with Oakdale Baptist of Spencer. Both sessions were well attended and the challenging theme "Let the Church Reach Out" was an inspiring one for our Baptist people.

At the evening session Dr. Albert Meiburg of Southeastern Seminary was the key speaker and for the morning session Rev. Charles Bullock gave a moving and helpful address. Brother Bullock is pastor of First Church, Mocksville. His words were moving and indicting. Both were heard with much interest. At this point in time our people seem ready for a real Spiritual Challenge. Hopefully we shall see this come to pass.

Among the changes and activities of our churches, three new pastors and one educational director has been called. First Baptist has called Rev. Fenton Moorehead. He is from West Palm Beach, Florida and more recently from Western North Carolina. South China Grove has called Rev. Ray Craig as pastor. Emmanuel has called Rev. James L. Hartsell as pastor. Stallings Memorial has called Rev. Lewis Karriker as Christian Education Director. Rev. Warren Rice, pastor of North Main Church is on a 16 day missionary journey to Southeast Asia and the Islands. He is a returned Missionary. Rev. Rice and his people are planning a new sanctuary and educational space. Rev. Clyde Yates, Jr., is interim pastor at Milford Hills. Rev. Zeb Baker is interim pastor for East Spencer, First. Rev. Coy Miller is filling the pulpit at East Corinth.

We of the Rowan Association are now 12,401 in number. We had 290 baptisms this year. Mission work and work among the young people is enjoying a new interest and is growing in our churches.

Conspicuously absent from our meetings this year was our beloved associational missionary, Rev. John E. Carter who is in Baptist Hospital at Winston-Salem. We pray for a speedy recovery from his recent surgery and that he may be home among his people soon.

May we of the Rowan Baptist Association churches accept the challenge to "Reach Out and Touch" those who need us — as we pledge ourselves anew to total commitment in our stewardship, witness, tithe and service as we walk in love among our people and bless a needy world!

Respectfully submitted,
Georgia Blalock,
Associational Historian

RESIGNATION

To Members of the Rowan Baptist Association Meeting in Annual Session At Faith and Oakdale Baptist Churches on October 25 and 26, 1977 respectively.

Dear Friends,

You have given me more than twenty (20) years of opportunity to join hands with some of God's choicest people in His Service. I wish to thank each preacher-pastor and each lay person who has prayed, given of time, talent and means to make Rowan Baptist Association a great fellowship of Southern Baptist.

Thank you for calling me to be your missionary, for your patience as you helped me learn something of the work to be done and then your willingness to share in doing these many tasks. Your prayers of encouragement have been helpful beyond words.

It is with a deep sense of regret and reluctance that I now announce my intent to retire from the active ministry effective March 31, 1978. I have prayerfully considered and made this decision in spite of the suggestion of many friends who wanted me to continue on in the field of Associational Missions. But, as some of you know, I have just passed my 65th birthday and I would not want my age or perchance of waning of energies to allow the work of the Association to deteriorate in any way but rather that it progress to her fullest potential.

Therefore, as you seek out a new Director of Missions, I assure you of my prayerful concern.

Likewise, I assure you of my continued interest in the Rowan Baptist Association and my desire to serve our Lord along with you through the years following my March retirement on a volunteer basis.

May the Lord God bless you all real good, is my prayer.

Sincerely,
John E. Carter

A Tribute

In the past several months I have had the opportunity to become acquainted with many new Christian friends. I would like to thank all of you for your prayers and personal support during the recent illness and death of my father, Rev. John E. Carter. To those of you who became very deeply and personally involved in the last month of his life, my family extends its Christian love and affection. We thank the Lord that Christian friends were nearby when we needed their support at this time in our lives.

Since my father's death I have been trying to gain some insight into the events which have taken place over the last several years. At this point I must say that I regret that it took this illness for me to realize how much Dad meant to me. I only wish that I had told him how much I loved him prior to his illness. Once the cancer began to destroy his health, there was never enough time in the World to make up for those lost moments. It is my prayer that all of you will express your love to those near to you while there is time to enjoy each other's company in good health.

As a result of your generosity the only thing that I can give to you as my way of thanking you is what I have recently begun to understand. This is all that I have left from a great man — my father. Dad wrote a will in which he left all of his material wealth, although small, to our mother. We five children wanted and expected that our mother be taken care of in this manner. Although they may have had some turbulent years, my parents spent many long and happy years together. We children knew that by our father, being a man called by God, we would never be materially wealthy, but the Lord works in ways which are beyond understanding.

As I stated Dad left only one will, but while searching through the last thirty one years of my life I have discovered six other wills which my father left — one for each member of the family. These wills are all different and only that individual for whom the will was intended knows its contents. With this thought I would like to share with you a part of the inheritance that I have received from my father.

My father knew each of my strengths and weaknesses. In activities in which I was strong, he supported me. When I succeeded in accomplishing a goal in my life, he was there to celebrate and encourage me to continue on to greater things. He was very proud of each of us children for what we did. If I experienced what I considered to be failure, Dad was there to share my sorrow. Again he would encourage me to find something positive and good within that defeat. In all that I attempted to do Dad would continually remind me, "Don't be your own man, Son, be God's man." With those words in my mind I pray for the Lord's guidance in all things which I attempt to accomplish because He knows what is most beneficial for me.

One last thing which I want to share with you from his unwritten will to me is that as long as I walk with the Lord, I will not fear what the future holds for me. God takes care of His children. When I was a small child, I remember how Dad used to take me for walks through the woods. If I became tired, he would carry me on his back. If there was a stream, he would carry me across the water or he would show me the solid rocks on which to step in order to get to the other side safely. I had total faith in his ability to care for me. At other times he would take me blackberry picking. Oh, those briars were so dangerous to a child not quite three feet tall! Dad would not leave me alone until he had made a path for me and ensured that I was not in any danger from the briars or any other danger which I would possibly encounter in the thicket. He would always point out the dangers for me to avoid. He would instruct me to stay on the narrow path and to pick only the good fruit. With this idea in mind I look up to my father. For thirty one

years he has been making a path for me to follow. He encouraged me to walk that path and not to get off of it. When I did get off the path, the briars of Life would prick and scratch at my body. Then Dad would come and say, "Come, Son, let's get back on the path, and I will walk with you awhile." When he saw that I was okay, he would tell me again to stay on the path, to pick the good fruit, and to beware of the dangers. By faithfully listening for the Lord's guidance and following His will, I will be secure in His love just as I was in my dad's love.

The last path which my father showed to my brothers, sisters, and me was the path to Heaven. He showed us that no matter how difficult, that no matter how painful, if you walk with God no burden is too great. He showed us that in death there can be beauty. He walked to the end of that path, and reaching out he placed his hand into the hand of God. All that I can say is that I loved Daddy while he was physically with us, but now I can say that I love him even more in death because he left to me the riches which God intends for all of His children to receive and experience. My father has made me a rich man.

As I continue to grow and understand where God is leading me, I ask for your prayers for my family and me while the secrets of my father's unwritten wills are revealed to each of us daily.

SUNDAY SCHOOL PROJECTION FOR 1978-1979

The basic objective of associational Sunday School work is to assist church leaders, through program interpretation and training, to be more effective in their responsibility.

The tasks of the associational Sunday School organization are:

1. To provide opportunities for fellowship and inspiration,
2. To interpret the Sunday School program,
3. To train Sunday School leaders,
4. To consult with Sunday School leaders concerning their program,
5. To provide organization and leadership for cooperative work among the churches.

To accomplish this objective and these tasks I want to encourage each church to take advantage of the conferences that have been planned for this coming year.

A Sunday School Training Conference led by Sunday School workers from Raleigh will be held March 11-14.

On March 27th the annual Vacation Bible School Clinic will be held at Stallings Memorial Church. The morning session will be from 9 a.m. to 12 noon with a repeat session in the evening beginning at 7:00 and ending at 9:00 p.m.

The Associational Sunday School Officer's Conference will be at Caraway, April 11-12.

September 11 is the date of the Associational Sunday School Leadership Conference and September 30-October 7th is Sunday School Preparation Week.

Let each of us work and pray that we will have a good year of Bible study.

Respectfully submitted,
Clarence G. Wise,
Associational Sunday School Director

CHURCH TRAINING AND MINISTRIES REPORT

The theme this year in church training is "Expressing Discipleship Through Church: The Sunday Night Place." The best expression is through action — BOLD ACTION! We cannot emphasize too much the important role that church training plays in developing well-trained Disciples and in providing an opportunity for expressing Discipleship.

To accomplish this our promotion plan is designed with special emphasis on expressing discipleship; and through this, make each church member aware of the difference it can make in the quality of your church's life and in the discipleship of every well-trained Christian.

We have two main emphases for the year planned to promote

associational wide participation and to encourage active church-wide involvement in all training activities on the associational calendar.

First, is our "M" Night Program on November 27 at 7 p.m. at Trading Ford Baptist Church. We have an interesting program which we feel will be very helpful to everyone.

Second, is the Youth Night Program on March 17 at 7 p.m. at Milford Hill Baptist Church. Last year's Youth Night Program was very successful. So let's make this year even better.

Let each of us work and pray for a successful year in church training.

Respectfully submitted,
Edward L. Bitner
Associational Church Training Director

REPORT OF BROTHERHOOD 1978

As we take a look at our Brotherhood Department of our association, we seem to be somewhat anemic.

In spite of all the good work that has been done we had a loss of 32 in enrollment. It is true that three of our churches began Brotherhood work, but at the same time three of our churches dropped their Brotherhoods, leaving us with the same number we had last year.

Twenty of our thirty-six churches have Brotherhoods now. It is our hope that in time all 36 will have organized work.

Perhaps the highlight of the year was the men and boys banquet at the First Baptist Church.

Respectfully submitted,
Larry Marshall

WMU REPORT

Let the Church reach out in Bold Missions! This is our challenge and our opportunity in the year ahead. Become an active participant in carrying out this God-given goal.

We have two emphases for 1978-1979. Special attention will be given to Baptist Women Year in the church. Our continuing emphasis is Teach Missions: to live, to give. Live and give are go-together words. To live as God would have us to, presupposes we will give our selves, time, attitudes, influence, and material.

1977-1978 has been a good year. Many of our plans and goals became a reality. Growth occurred and lives were changed. It is the sincere prayer of our hearts that more goals will be reached and more people involved. If your church does not have any organization, please contact the council for help.

We urge all churches to send your list of officers and report to me as soon as possible. The reports which are in are very encouraging.

Our prayer retreat, which will be a blessing to all who attend, will be November 2, 1978 at Salisbury, First Baptist from 4:30 to 8:00 with a covered dish supper at 6:00 o'clock.

Respectfully submitted,
Charlotte Hartsell

EXECUTIVE-PROMOTION COMMITTEE REPORT

The Rowan Baptist Executive-Promotion Committee met four times the past Associational year, meeting each time at the First Baptist Church, Salisbury.

At the January, 1978 meeting Rev. John Carter expressed his gratitude

for the privilege of serving the Rowan Association for the past twenty-one years, and expressed his opinion that the Association should expand its ministry to include family counseling and a prison ministry. The Moderator presented a check to Rev. and Mrs. Carter for \$5,000.00. The Long-Range Planning Committee was granted permission to perform the following:

- (1) Sign a one year lease for a three room office suite at 625 West Innes Street. This lease to include all utilities, except telephone, and janitorial service. The cost being \$225.00 per month and receipt of \$25.00 per month as contribution.
- (2) Employ Mrs. Sylvia Brooks as a part-time secretary four hours per day, five days per week. The salary being \$3.00 per hour.
- (3) Purchase necessary office equipment for Associational office.
- (4) Secure a telephone for the Associational office, and rent a Post Office box.

A recommendation was unanimously approved that we give the electrical appliances — stove, refrigerator, dishwasher, washer and dryer to the Carters with our love.

The second quarterly meeting of the year was held on April 18, 1978 at which time the following Associational Officers were elected to serve for the year 1978-79:

Church Training Director	Mr. Edward L. Bitner
W.M.U. Director	Mrs. James L. Hartsell

The Moderator announced that the Associational Residence property had been sold to Mr. Bob Goodman, and that a check for \$60,000.00 was in the possession of Mr. Graham Carlton, Chairman of the Trustees for the Rowan Baptist Association. The lawn mower owned by the Rowan Association was sold to Mr. Charles Collins for \$1,151.50 (sealed bid was received for this amount).

The third quarterly meeting was held on June 6, 1978 (this meeting took the place of the regular July meeting). The Proposed Budget for the year 1978-79 was adopted. A recommendation from the Missions Committee was approved that the Rowan Baptist Association extend a call to Rev. Kenneth Bragg, Southern Baptist Foreign Missionary to Japan, to serve as Director of Missions for the Rowan Baptist Association. A motion was also approved that the Rowan Association pay the moving expense for the Braggs from Charlotte to this field.

The final meeting of the Executive-Promotion Committee for the Associational Year was held on October 10, 1978. The financial report for the quarter ended September 30, 1978, and also for the Fiscal Year ended September 30, 1978 was presented by Mr. Charles Summers, Associational Treasurer. Copies of the Calendar of Opportunities for the Rowan Baptist Association for 1979 were distributed by Rev. Ken Bragg, Director of Missions for the Rowan Association. Proposed Amendments to the Constitution of the Rowan Baptist Association were brought as information by Rev. J. A. Richardson, Chairman of the Constitution Committee (these proposed amendments will be brought in detail to the Association in session on October 24, 1978). Approval was made to request a Task Force from the Baptist State Convention of North Carolina to lead a Sunday School Training Conference March 11-14, 1979.

Respectfully submitted,

LONG RANGE PLANNING COMMITTEE

At the 1976 annual meeting of the Rowan Baptist Association a Long Range Planning Committee was appointed to study the future needs of the Association, covering property, personnel and program. Members appointed to this committee were The Rev. T. E. Robinett, The Rev. Warren Rice, The Rev. Harold Hughes, Charles Summers, Conrad Bost, James McCoy and Charles Bolden. The committee elected Charles Bolden as chairman and T. E. Robinett as secretary.

At the 1977 annual meeting of the Rowan Baptist Association, this committee recommended that we sell the Associational Pastorium and acreage and Camp Property. They also recommended that "we lovingly give to the Carters a total of \$15,000 over a period of three years." These recommendations were passed.

This past year this committee has carried out the above recommendations.

1. The property on Faith Road was sold for \$60,000. The riding lawn mower was sold for \$1,150. A total of \$61,000 was put in certificates of deposit. The interest is to be used for housing allowance for the Director of Missions and other expenses of the Association.

2. The Camp Property was sold for \$10,000. This plus \$5,000 from current funds made up the Love Gift set aside for the Carters.

An associational office was rented and equipped at 625 West Innes Street, Salisbury, N. C. A part-time office secretary, Mrs. Sylvia Brooks, was employed.

The remaining portion of our responsibility concerns the program of work. We recommend that this be formulated by the Missions Committee and the Associational Council under the direction of the Associational Director of Missions.

Having covered the areas of property, personnel and program as originally instructed, we recommend that this committee be disbanded.

Respectfully submitted,
Charles R. Bolden, Chairman
T. E. Robinett, Secretary

REPORT OF THE COMMITTEE ON THE RECEPTION OF NEW CHURCHES

The Committee for the Reception of New Churches received the request for membership in the Rowan Baptist Association from the Sherrill's Ford Road Baptist Church, a church that is beginning to grow under the leadership of their pastor, Rev. Jerry C. Shoaf. The Committee met with the pastor and several leaders from the church late in the summer. The Committee discussed with the church at some length our convictions and our mission together as an association and as Southern Baptists. We discussed our work together with other churches in the Rowan Baptist Association, the North Carolina Baptist State Convention, and the Southern Baptist Convention. Included in the discussion was our expectation of our churches to work together through the Cooperative Program.

In light of the response of Sherrill's Ford Road Baptist Church to our discussion and prayer together we, the Committee on the Reception of New Churches, unanimously recommend to Rowan Baptist Association that we receive into the fellowship of our association the Sherrill's Ford Road Baptist Church.

REPORT OF THE CONSTITUTION COMMITTEE OF THE ROWAN BAPTIST ASSOCIATION

The Constitution Committee of the Rowan Baptist Association met on Tuesday, October 10, 1978, to discuss recommendations for amendments to the Constitution and By-Laws.

The Association's Missionary, K. R. Bragg, Rev. J. A. Richardson, Jr. and Graham Carlton were present.

The members of the committee and Brother Bragg were of the opinion that the size of the Executive Promotion Committee should be increased to include two representatives from each cooperating church or mission, rather than only one as in the past. The effect of this would be to provide a stronger bond between individual churches and missions on the one hand and the Association's program on the other, and would also provide increased opportunities by lay persons to participate in associational mission work. To carry out this program of increasing the size of the Executive Promotion Committee, the Constitution Committee recommends that Paragraph IX of the Constitution entitled "Committees", Subparagraph 1 entitled "Executive Promotion Committee" be amended by deleting the words "one representative" and substituting the words "two representatives".

The Constitution Committee was of the opinion that an Associational Council should be created and would consist of the directors of the various departments of the Association, together with certain committee chairmen. The Council would be charged with specific responsibilities to carry out, under the leadership of the Association's missionary, the general policies and programs set forth by the Executive Promotion Committee. For this purpose, the Constitutional Committee recommends that Paragraph IX Committees be further amended by inserting the following after Paragraph 1:

2. Associational Council. The Associational Council shall be composed of the following duly elected officers of the association: Directors of — Sunday School, Church Training, Woman's Missionary Union, Brotherhood, Church Music; Chairmen of these committees — Missions, Evangelism, Youth, Recreation; and the Associational Moderator, Treasurer, Director of Missions. The chairman will be the Director of Missions. Other members may be added to the Council upon approval of the Association or Executive Promotion Committee. Other officers or resource persons may be invited, or may request, to attend certain meetings. The Council will report its work to the Executive Promotion Committee for evaluation and disposition.

DUTIES OF THE COUNCIL SHALL BE: (1) Coordinate the programs, events, and resource persons of the association. (2) Develop an annual calendar of activities, to be included in the published minutes of the Association. (3) Lend assistance to council members in securing resources and training opportunities in the discharge of the responsibilities. (4) Promote a spirit of cooperation and inspiration among the churches. (5) Plan training opportunities for church leaders and members designed to elevate the quality of Christian leadership and service. (6) Evaluate the work of associational program organizations and committees with the aim of improvement where needed. The Council will normally meet Quarterly or more often upon the call of the Director of Missions, or as need arises.

ADDENDUM: Three types of planning are generally carried on in the Association: (1) Policy or strategy planning is the responsibility of the Association in annual session or by its Executive-Promotion Committee. (2) Coordinative planning is the function of the Associational Council. It seeks to coordinate the programs, resources, and schedules of the Association. (3) Program or event planning is the responsibility of the leaders in the various program organizations and committees. This is detail planning with a specific goal in mind.

In view of the recent actions of the Association in selling the property formerly held by the Association for a camp development, the Constitution Committee was of the opinion that Section 14 of the By-Laws creating a camp development committee should be deleted and a youth committee should replace the camp development committee, and further a new committee to deal with recreation should be created.

For this purpose the Constitution Committee recommends that Section 14, Camp Development Committee, of the By-Laws be deleted and the following Section 14, Youth Committee, be substituted therefor.

14. YOUTH COMMITTEE. This committee shall be composed of three members elected by the Association. Its main function will be that of providing the churches with resource ideas and materials for an effective youth ministry. Various youth activities on an associational level may be planned and implemented by this committee, under the approval of the Associational Council. The chairman of this committee will be a member of the Associational Council. The Youth Ministry Department of the Baptist State Convention of N. C. should be a valuable resource for the committee's work.

Then the Constitution Committee further recommends that a Recreation Committee be provided for by adding the following after Section 19 of the By-Laws.

20. Recreation Committee. This Committee shall be composed of three members elected by the association. It will seek opportunities to interpret the value of Christian recreation to the churches. It will provide instruction in appropriate forms of recreation for various age groups within the churches. This committee may plan and implement recreational activities on the associational level, with the approval of the Associational Council. The chairman of this committee will be a member of the Associational Council. The Recreation Department of the Baptist Sunday School Board in Nashville will be an excellent resource for the work of this committee.

To technically complete the amendments, the Constitution Committee recommends that the second paragraph of Paragraph IX, Committees, be renumbered as 3 instead of 2.

Graham Carlton

HISTORICAL REPORT

Enthusiasm, optimism and warmth were apparent everywhere in the 51st session of the Rowan Baptist churches associational meeting; evening session at Rowan Mills Church and the morning session at China Grove, First Church. Both sessions were largely attended and the speakers were notable in their encouragement and help. Rowan Baptists have welcomed two wonderful new families into our fellowship of churches.

The Rev. Fenton Moorhead became pastor of First Baptist Church and the Reverend Kenneth Bragg and his lovely wife, Faye, with their two sons Kenneth and John. All of them deeply moving in all the work of the 36 churches of the Rowan Association. The Braggs are truly a gift of God to fill our needs. They have recently returned from the Orient where they spent 10 years as missionaries in Tokyo, Japan, and are bringing us many new visions of our real mission in the churches and of our mission work in another country and people.

The Rowan churches lost a faithful and beloved friend in the homegoing of Rev. John E. Carter on August 1, 1978. He had served our Rowan churches for the past 21 years and shall be greatly missed.

The following statistics will be of interest to our Rowan Baptists:

China Grove, First: New staff member, Minister of Music and Education Mr. Wade Sawyer. Officially honored Rev. R. O. Brinkley as Pastor Emeritus of the church

Franklin: New Fellowship Shelter

Gold Hill, First: Changed name of church to First Baptist Church of Gold Hill

Landis: Ron Dion licensed, ordained and commissioned to mission field. A first in 52 year history of Landis Baptist Church

Neel Road: Built a Fellowship building with volunteer workers and the building was dedicated September 24, 1978

North Main: Voted to build new church. Additional frontage was purchased and existing buildings removed to make way for new church.

Oakdale: Paid off loan on MMC building; purchased additional land for cemetery

Oakland Heights: The church welcomed Rev. Ralph Thompson as pastor on February 19, 1978

Salisbury, First: Ken Davis called as Minister of Music & Youth. Roger Sims & Pressley Stutts worked as Summer Youth Program Assistants.

Spencer, First: Bought adjoining property

Stallings Memorial: Ladies' Day Out; SAIL (Summer Adventures in Learning)

Wyatts Grove: Fellowship building being built

Yadkin: New roof on church; side walk poured; celetex in basement part

STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Committed to a bold mission task calls for definite bold actions on the part of each of us as individuals and as churches. Last year the churches of our association gave \$132,898.55 through the Cooperative Program, this is an increase of \$11,851.50.

By 1982 the Bold Mission Thrust goal is to have our churches doubling their Cooperative Program gifts by the year 1982. "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." Christ called each of us to boldness!

We recommend these goals:

1. Every church in our association giving through the Cooperative Program for world mission support and Associational support.
2. That every church double its Cooperative Program giving by the year 1982.
3. That every church consider its responsibility to develop Christian stewards and elect and train a stewardship chairman for its membership.
4. That every church conduct a stewardship emphasis this year.
5. That an associational stewardship emphasis be held to assist churches in planning and conducting their stewardship programs.

Respectfully submitted,
James L. Hartsell

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

We now have six homes located across North Carolina: Resthaven, Winston-Salem; Hayes Home and Nursing Care Unit, Winston-Salem; also a duplex apartment at Winston-Salem Hayes Home; the Albemarle Home in Albemarle; the Hamilton Home, in Hamilton; the Yanceyville Home in Yanceyville; and now the Western North Carolina Baptist Home at Asheville to open in February, 1979. With the opening of this Asheville unit, we will be able to care for 300 people. The Nursing Care Unit in Winston-Salem can accommodate 46 residents and 79 patients. This center cares for all six homes. All patients from the six homes in need of intermediate or skilled care are transferred to the Winston-Salem nursing facility.

Our Baptist Homes have received vital support from our more than 3,400 churches through two vital sources through the years. The Cooperative Program provides 8% of our total budget. The Special Offering each year has provided 16%. Since there will not be any more special offerings, we are greatly concerned that our people continue their support. We have been receiving about \$300,000 through this special offering. Unless the State

Missions Offering exceeds \$2,000,000 our amount will be cut. Also of great concern is the opening of the Asheville unit which will cost about \$100,000 to operate.

Our projected growth plans and service is a new proposed wing to the Hayes Home in Winston-Salem which will house 51 additional patients and residents, bringing our total capacity to 351 in all homes and nursing care center.

The growing edge of our national and state population is in the area of the aging — those 65 years of age and above. We must continue to prepare for them, by the Lord's help. We must undertake more for them in our churches, our communities, and in our Baptist Homes. By increasing our Cooperative Program and giving and our State Missions giving, we will be able to march onward.

We are deeply indebted to Rev. W. A. Poole for his long years of service and leadership. Let us pray for him as he continues to lead our people in a constructive manner.

Will you join us in our progress and in our plans for those aging persons who look to us for help?

Respectfully submitted,
Z. D. Baker, Representative

CHRISTIAN LITERATURE REPORT

Think about it for a minute. What if there were no BIBLICAL RECORDER? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the BIBLICAL RECORDER has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the BIBLICAL RECORDER is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the RECORDER pay? Recently the RECORDER published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty-nine of the 50 had a good RECORDER club, many of them sending the RECORDER to every resident family. The BIBLICAL RECORDER had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the RECORDER through the church budget at a cost of 6 cents a week. Everyone benefits when the RECORDER goes into every home.

This body shall be known as the Rowan Baptist Association.

II. OBJECT

The object of this Association shall be to devise and promote measures for increasing the harmony and spiritual power of the churches within our bounds, to recommend plans for advancing the work of our Lord throughout the earth, and to cooperate with our Baptist State Convention and our Southern Baptist Convention in spiritual advance in such areas as Sunday School, Church Training, Woman's Missionary Union, Men's Brotherhood and Church Music with the understanding that cooperation with the state and southern Conventions is purely voluntary.

And any mission sponsored by a member church shall be entitled to send two messengers from the mission membership. It shall be the duty of the churches to correspond annually with the Association by letter and messengers, and give in not only their statistical information but also facts concerning the general welfare and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters in the hands of the Clerk not less than two weeks before that meeting of the Association.

Missions sponsored by the Association and those sponsored by any cooperating church or churches of the Association shall be entitled to send representatives to participate in all annual meetings of the Association and to all meetings of the Executive-Promotion Committee, but such representatives shall not have official voting rights.

V. TRUSTEES

In addition to the above named officers, the Association shall elect three trustees each year who shall hold in trust all property and effects of the

VII. POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the rights or usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance, but cannot bind them in any way. The churches constituting the Association shall each retain complete autonomy under Christ as supreme Head, Lawgiver, Governor and Lord over His churches, and unite only that they may more successfully promote the cause of Christ throughout the world. In any case any conflict or interpretation shall arise as between this section and any other section of this constitution the interpretation of this section shall have precedence over the others.

W.M.U. REPORT

This has been a very good year as the W.M.U. Council has had many successes. The G.A. Mother-Daughter Banquet has grown tremendously. Several B.Y.W. organizations have been started. Many of the council have visited in and helped churches with their W.M.U. work.

We have begun our greatest year. The Council went to Ridgecrest and then led a highly successful workshop with 137 in attendance from 21 churches. The council has begun monthly council meetings and each is working on W.M.U. Leadership Diplomas. The council plans to visit churches and help with new work in many of the churches. The council will have the privilege of going to the Cabarrus Association in November to lead the study of the W.M.U. Manuals to the church leaders of that association.

We have some excellent plans for activities which will be most helpful. See the minutes for the associational calendar of events for this year. May we truly experience what is meant by Life Changing Commitments as we strive for Bold Mission Thrust that others may know Him and make Him known.

Please see that your report and list of officers are sent to me so that I may keep abreast with the work your W.M.U. is doing and that I may keep you informed of the exciting day ahead in W.M.U.

March 3, 1979, we have the wonderful privilege of hearing the president of the S.B.C. Woman's Missionary Union. This will be at the First Baptist Church of Spencer at 7:00 P.M. This is a joint meeting of the women and men of the association. Also remember the World Missions Conference to be held next year in our association.

We have great opportunities to learn and be inspired. Then we must be ready to move boldly ahead as God directs to accomplish his mission on earth.

Respectfully submitted
Charlotte Hartsell

STEWARDSHIP REPORT

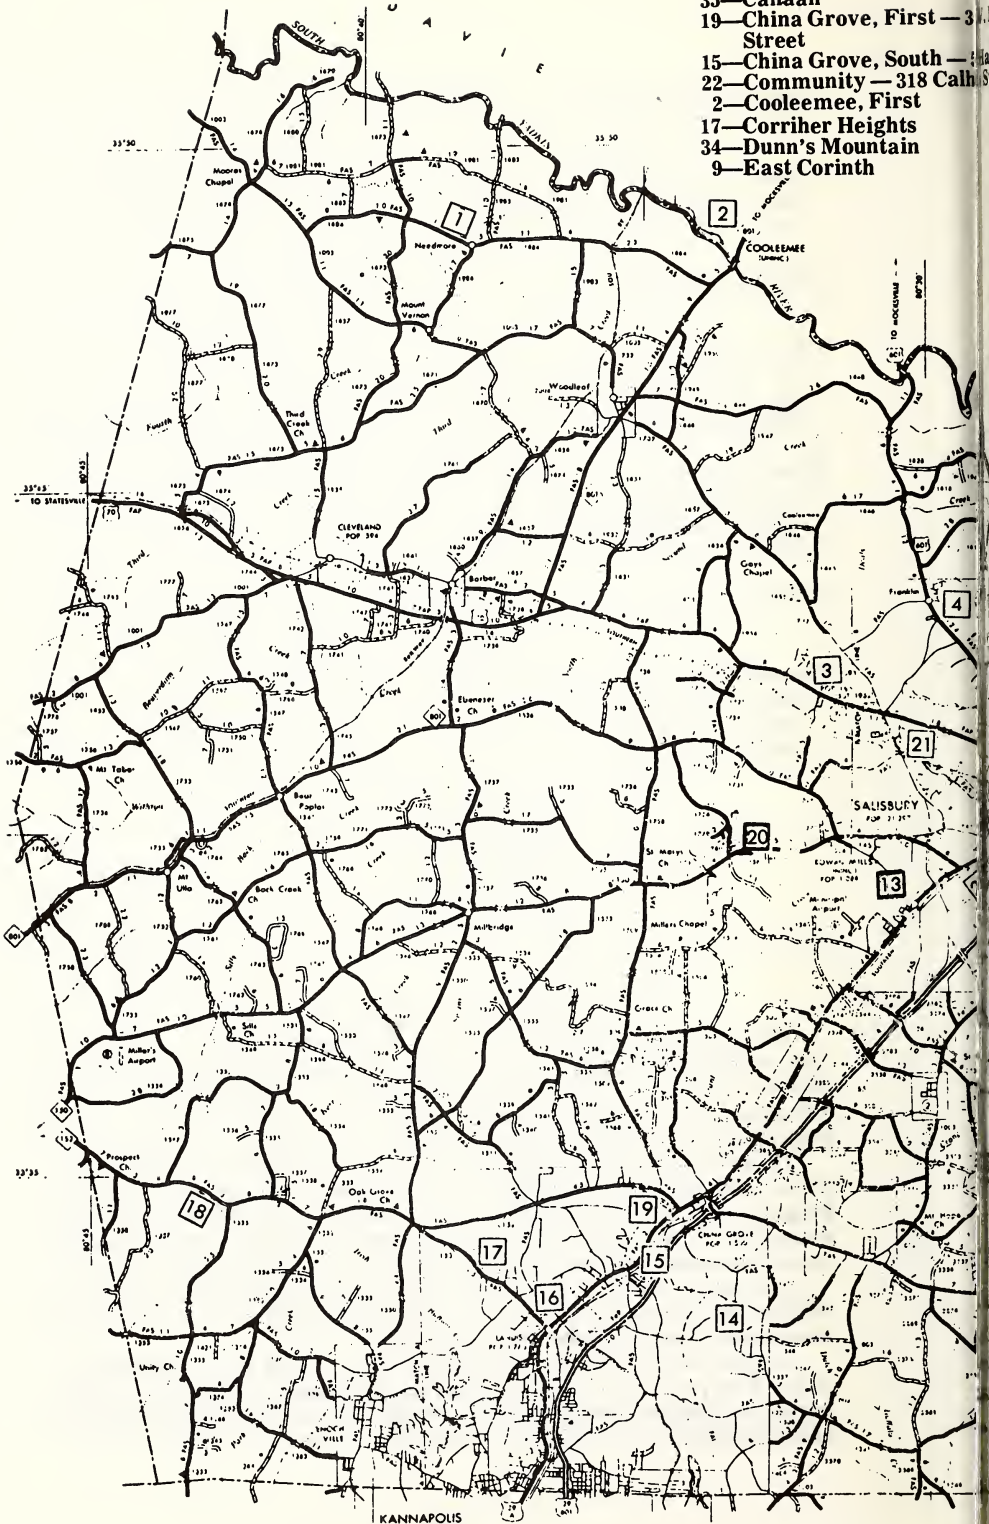

God committed His church to the task of Bold Missions when He said, "But ye shall receive power, after that the Holy Spirit is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." Acts 1:8. We now, as His people, must pick up on that commitment as our very own.

Commitment to Bold Missions calls for a commitment to bold action in giving. This past year our churches gave \$206,291.81 through the Cooperative Program and Special Offerings. There is available to each church resource materials to help the local stewardship programs. These are to be picked up at the Associational office, if you have not already received yours this year.

Our convention and our associational goal in stewardship is to have doubled our gifts through the Cooperative Program by the year 1982. We can meet these goals if we follow these guidelines:

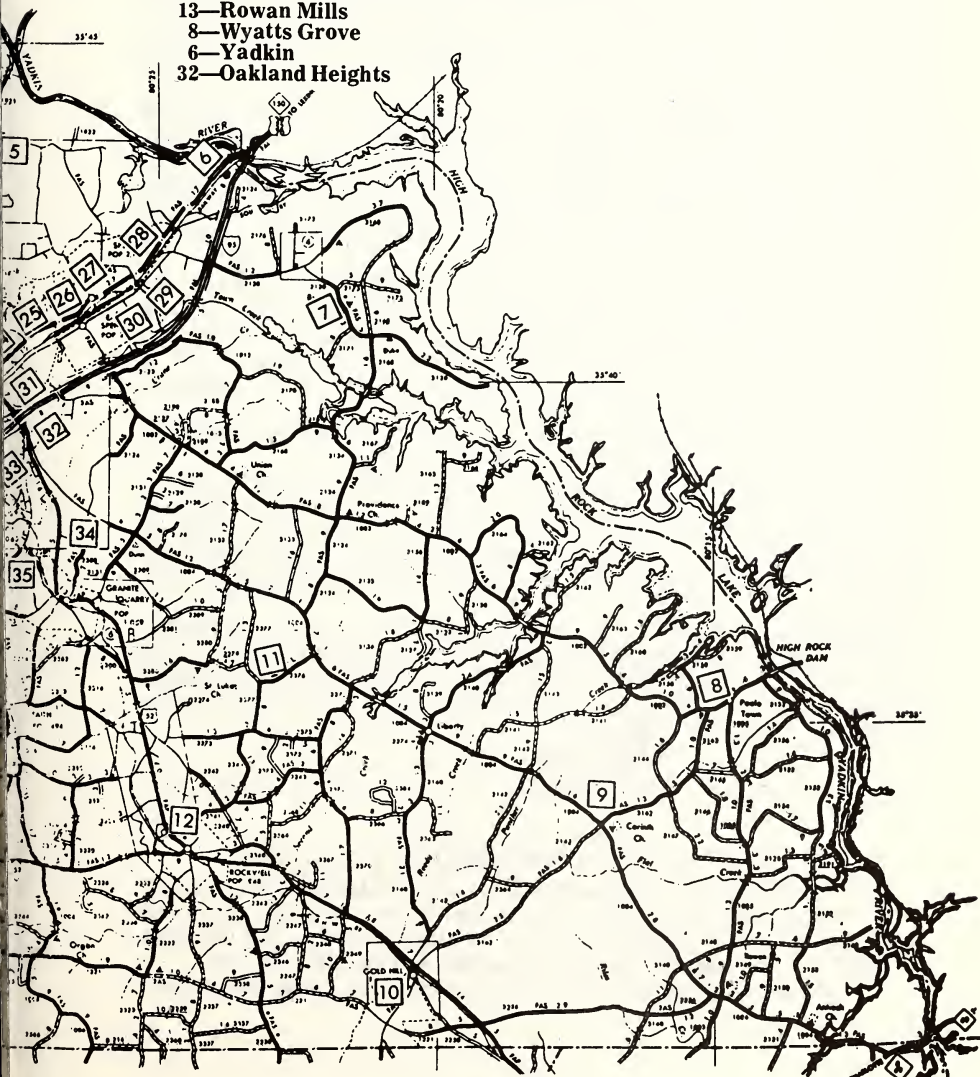

1. Every church in our association giving through the cooperative program. This past year we had six churches who gave no gifts through the cooperative program. We urge each of these churches to consider the cooperative program an avenue of giving that is worthwhile.

2. That every church double their gifts by 1982.
3. That every church conduct a stewardship emphasis during the year. If the Associational Stewardship Chairman can be of help, contact him.
4. That each church make stewardship growth a part of the ongoing program.
5. That every church take part in the annual stewardship emphasis and workshop to gain a better understanding of Christian Stewardship.

CHRISTIAN LITERATURE REPORT

In its 146th year of serving North Carolina Baptists, the RECORDER, like old man river, keeps rolling along. The RECORDER faced the same problems as everyone did in the past year — price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 per cent a year. This means the RECORDER is costing four times as much to mail as it did five years ago.

Paper and printing also have gone up, but despite these increases, the RECORDER still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the RECORDER can still go into every home in a church for only 7½ cents a week. In today's inflationary world, where else can a person receive so much for so little money? You would pay twice that much for postage on a first class letter.

This has been a newsworthy year and the RECORDER has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the RECORDER to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by a special committee.

The Southern Baptist Convention in Houston was another important story this year and as always, the RECORDER was there.

Even though the RECORDER takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The RECORDER believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing 20 years and is still striving to make the RECORDER better each week. Your support of the RECORDER will not only mean much to it but will make you a stronger and better informed Christian. If you and your church do not receive the RECORDER, please take steps immediately to see that this is done.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We would give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced!

Of outstanding importance has been the completion, dedication, and oc-

cupancy of our new Western North Carolina Baptist Home in Asheville. This lovely new Home, accommodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments, accommodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home, in Yanceyville; the Western North Carolina Baptist Home, in Asheville.

Financially, this has been a crucial year in our Baptist Homes, since we did not have our usual 3rd Sunday of February Offering, which makes up 16 percent of our total budget. We have had to move into our endowment funds in order to operate and to keep the ship afloat, since the usual \$300,000.00 that we receive from the Special Offering was delayed until we receive the North Carolina Missions Offering in September. We are looking forward to this offering in a very special way, and it will certainly be crucial in the support of our Homes for the Aging. Let us trust that the goal of \$2,000,000, for all of our ten Baptist Institutions, and the special causes of States Missions, will be met.

Support through the Cooperative Program for our Homes, which supplies about 8 percent of our total budget continues in a steady and encouraging manner. During the 28 years of the ministry of the Homes, however, the amount of 1 2/10 percent of the Baptist State Convention Cooperative dollar for the Homes has never been changed.

Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented. This, therefore, is a ministry of Christian love and compassion at its best in the lives of those dear older people who are in our care.

Of great joy has been the addition of two new administrative staff members — Mr. Jack Hoyle, who came in mid-January as the Director of Admissions and Social Services, and Rev. Jim Saul, as the Director of Denominational Relations and Development. Rev. Saul is filling the vacancy created by the retirement of Rev. Ralph Cannon, in March. We shall never cease being grateful to the Lord for the significant contribution that Ralph made during his service with the Homes. The ministry of the Homes has been greatly enhanced and enriched by the coming of Jack Hoyle and Jim Saul in their respective fields of service.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but encourage us to expand this desperately needed ministry in our Convention.

Respectfully submitted,
Zeb D. Baker

CHRISTIAN HIGHER EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist Colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15 percent of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

Respectfully submitted,
Bill Cashman

The Executive-Promotion Committee of the Rowan Baptist Association met four times the past Associational year, meeting each time at the First Baptist Church, Salisbury.

At the January, 1980 meeting approval was made of recommendation from the Nominating Committee that Rev. Approval was also made for the purchase of a used Address-O-Graph machine for \$400.00. Monies to cover these purchases to be taken from pass-book savings. Churches in the Rowan Association to be encouraged to replace these funds through voluntary contributions to the Association. REPORT OF THE COMMITTEE ON THE RECEPTION OF NEW CHURCHES

On October 25, 1978, the Rowan Baptist Association of Southern Baptist Churches received the Sherrill's Ford Baptist Church under the watchcare of the Association. On October 31, 1979 the Association voted to continue Sherrill's Ford Baptist under the watchcare of the Association for another year.

On September 26, 1980, a group of pastors from Rowan Association met with the congregation of Sherrill's Ford Baptist Church for about two hours in which the progress of the church was reviewed, and extensive discussion was carried on about the Southern Baptist Convention, the North Carolina State Baptist Convention, the Rowan Baptist Association of Southern Baptist Churches, the work of the Sunday School Board, the work of the Home and Foreign Mission Boards, and the nature of affiliation of churches with the conventions and with the Association.

On the basis of their two years' participation with our Association in a watchcare relationship and their response in the discussion on September 26, 1980 the committee recommends that the Rowan Baptist Association receive Sherrill's Ford Baptist Church into full membership in the Association.

Rev. James C. Huneycutt, Jr., Chairman

REPORT OF THE COMMITTEE ON THE RECEPTION OF NEW CHURCHES

On September 19, 1980, a group of pastors and laymen met with the membership of West Side Baptist Church in Salisbury. During the meeting, which lasted nearly two hours, the Southern Baptist Convention, the North Carolina State Baptist Convention, the Rowan Association of Southern Baptist Churches, the Cooperative Program, the Sunday School Board work, and the Home and Foreign Mission Board work was discussed. In addition the nature of association with the Southern Baptist Convention, the North Carolina State Baptist Convention, and with the Rowan Baptist Association of Southern Baptist Churches was discussed.

On October 24, 1980 we received a letter from West Side Baptist Church stating that on September 28, 1980, their congregation voted 100% to change their constitution to show that they were becoming Southern Baptists, and to request membership in the Rowan Baptist Association of Southern Baptist churches.

On the basis of our conference with West Side Baptist Church, the decision in conference of West Side Baptist to request membership in Rowan Association, and our reception of a letter from them stating this, we recommend to the Rowan Baptist Association that West Side Baptist Church be received under the watchcare of Rowan Baptist Association.

And such committees as should be added as standing committees in the future.

Part II. (Added to officers in the Constitution)

FAMILY MINISTRY COORDINATOR

PURPOSE AND DUTIES: The improvement of family life should merit high priority within the churches. To this end the family ministry coordinator will endeavor to accomplish some of the following: (1) Plan training opportunities within the Association for pastors and church leaders in the area of family ministry. (2) Encourage churches to elect a Family Ministry Committee and provide training for them. (3) Promote the Family Ministry Diplomas available through the Church Study Course. (4) Help to keep churches aware of family retreats and family leadership conferences at such places as Ridgecrest and Caraway. (5) Plan Associational events using resource personnel from the denomination. Examples may include some of the following: Marriage Enrichment Retreat, Single Parent Seminar, Divorce Adjustment Workshop, Age-graded Family Enrichment Studies such as, preparation for marriage, family communication, or money management.

RESOURCES for the above ministry may be obtained from the Family Ministry Department of the Baptist Sunday School Board, S.B.C. in Nashville, and from the Family Ministry Department of the Baptist State Convention of N.C. in Raleigh.

RELATIONSHIP — The family ministry coordinator will be a member of the Associational Council and will want to work closely with the Director of Missions and the Council in planning activities. This officer will be

enlisted and presented for election by the Associational Nominating Committee.

(After approval at the annual session the above should be included in the appropriate section of the Associational Annual for 1980 and following.)

Part III. (Change in By-Laws)

Since the duties of the "Audio-Visual Aids Committee" (No. 5), and the "Music Committee" (No. 15), are being performed by other committees or personnel, we recommend that they be deleted from the section entitled "Committees of the Association" in the "By-Laws" of the Constitution.

1980 REPORT OF THE BIBLICAL RECORDER

Faced with the same inflationary pressures that every family has these days, the Recorder has managed to get through another year without an increase in subscription rates. A church can still send the Recorder to resident families for only 7c a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the Recorder is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the Recorder has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the Convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the Recorder informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the Recorder was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus." Not only did the Recorder run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place — and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the Recorder are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the Recorder to every church family. See that your church makes this move in the coming year.
